Kanban Board

To Do

Design Login Flow
Create initial sketches for user login experience
High Importance
ID-0001

Customer Email Sync
Investigate sync delays reported by customers
Medium Importance
ID-0003

Resolve Build Blocker
Build failing due to missing dependency
High Importance
ID-0006

Customer Export Request
Add CSV export option for reports
High Importance
ID-0009

Database Migration Plan
Outline steps for moving to new DB cluster
Medium Importance
ID-0010

Refactor Notification Code
Clean up legacy notification handlers
Medium Importance
ID-0012

Customer Dashboard Feedback
Review and categorize dashboard feedback
Low Importance
ID-0014

Third Party API Delay
External API causing slow response times
High Importance
ID-0016

Search Bar Redesign
Improve search bar usability and layout
Medium Importance
ID-0021

Customer Theme Request
Add option for custom color themes
Low Importance
ID-0023

Deployment Blocker
Deployment halted due to missing config
High Importance
ID-0026

Customer Filter Request
Add advanced filtering options
Medium Importance
ID-0029

API Version Audit
Audit all API version usage
Low Importance
ID-0030

Refactor Auth Code
Simplify authentication logic
High Importance
ID-0032

Customer Sorting Issue
Investigate incorrect sort order
Medium Importance
ID-0034

Security Blocker
Security scan failing on critical issue
High Importance
ID-0036

Customer PDF Request
Add PDF export option
High Importance
ID-0039

Cache Strategy Review
Review caching strategy for performance
Medium Importance
ID-0040

Refactor Routing Code
Clean up routing logic
Medium Importance
ID-0042

Metrics Spike
Test new metrics collection tool
Medium Importance
ID-0045

Release Blocker
Release halted due to failing tests
High Importance
ID-0046

Customer Tagging Request
Add tagging support for items
Medium Importance
ID-0049

Doing

Fix Crash on Save
Resolve app crash when saving user settings
High Importance
ID-0002

Payment Gateway Spike
Explore feasibility of new payment provider
Medium Importance
ID-0005

Fix Dark Mode Bug
Correct color contrast issues in dark mode
Medium Importance
ID-0008

OAuth Dependency
Coordinate with security team for OAuth rollout
High Importance
ID-0011

Analytics Spike
Test new analytics SDK integration
Medium Importance
ID-0015

Prototype Settings Page
Build quick prototype for new settings layout
High Importance
ID-0017

Customer Billing Issue
Investigate incorrect billing totals
High Importance
ID-0020

Fix Mobile Layout Bug
Correct spacing issues on mobile view
Medium Importance
ID-0022

Auth Service Spike
Test new authentication microservice
High Importance
ID-0025

Fix Chart Rendering
Resolve chart not loading on dashboard
High Importance
ID-0028

Vendor Dependency
Coordinate with vendor for SDK update
Medium Importance
ID-0031

Logging Spike
Test structured logging approach
Low Importance
ID-0035

Improve Onboarding Flow
Enhance first time user experience
High Importance
ID-0037

API Dependency
Coordinate with API team for new endpoints
High Importance
ID-0041

Customer Login Issue
Investigate intermittent login failures
High Importance
ID-0044

Improve Profile Page
Enhance layout and accessibility
Medium Importance
ID-0047

Done

API Rate Limit Review
Document current API limits and propose adjustments
Low Importance
ID-0004

Update User Guide
Add new screenshots and instructions to help docs
Low Importance
ID-0007

Fix Tooltip Overlap
Resolve UI tooltip overlapping form fields
Low Importance
ID-0013

Fix Logout Redirect
Correct redirect loop after logout
Medium Importance
ID-0018

Data Model Review
Review current data model for scalability
Medium Importance
ID-0024

Improve Error Messages
Rewrite unclear error messages
Low Importance
ID-0027

Fix Tooltip Delay
Reduce tooltip display delay
Low Importance
ID-0033

Fix Modal Close Bug
Modal not closing on ESC key
Medium Importance
ID-0038

Fix Button Alignment
Correct misaligned buttons on forms
Low Importance
ID-0043

Fix Tooltip Flicker
Eliminate flicker on hover tooltips
Low Importance
ID-0048

Data Retention Review
Review data retention policy
Low Importance
ID-0050
